

# Sierra Vista Junior High School

Dear Parents,

We hope you are well. Sierra Vista Junior High will implement a drive-thru collection and pick up process next week. The date and time depends on your student's last name. See information below.

1. Parents, please plan to enter from Frazier to Foster and expect to exit onto Foster by making a right. This is the safest and fastest manner to enter and exit the campus. See map attached.
2. Parents and students will drive into the school parking lot and remain in their vehicle driving up to each station.
3. Students will drop off their history and science textbooks along with any library books they have checked out.
4. If you borrowed a district issued chromebook, please return it along with the power cord.
5. PE items are bagged and will be available for pick up.
6. If your child earned a certificate for 8<sup>th</sup> grade promotion or honor roll, they will be handed out as well.
7. Face coverings are required. Those who are sick should not come to the school. Please call the school to reschedule to another day.

Please call the school at 626-962-1300 with any questions. Thank you.
